

TIPO DE TAREA R5 NIVEL B1 (R5-B1)

You will read an email about a school exchange visit.

For the next 5 questions, answer A, B or C.

Hi Chloe

There was a talk at school yesterday about the exchange visit and everyone taking part was there. The teachers gave us a programme and, of course, lots of instructions! It won't be long until you're here and I can't wait to finally meet you.

When you're here, we'll go into school together each day. Most days you'll come to my lessons but there are a few organised trips like a city tour and a river trip. Anyway, I expect your teachers have told you all about those.

I live some way from school and usually get a train about eight in the morning. I cycle to the station because it's about twenty minutes' walk. Do you mind cycling? We have a spare bike you can borrow if you want. If not, we can both walk to the station.

Most evenings I have to do homework but on Friday we can meet up with some of my friends and their exchange partners. It'll be fun – my friend Tash has asked everyone round to a party!

If you're tired at the weekend, you can have a rest or we can do something with my family. Or if you prefer, we can go into town and do some shopping. Anyway, you don't have to decide now.

See you soon.
