Oggetto: Permission to publish

Dear Marie-Jo,

I am currently writing a book about visual perception. One of its chapters is dedicated to the "best illusions of the year", which for 2011 I want to include "Mask of Love" designed by you. I request your permission to publish it in this book, provisionally I have it in this link: http://prueba.reddescartes.org/Rivera/Percepcion_Visual/ (page 172). Finally, it will be published in <http://proyectodescartes.org/iCartesiLibri/index.htm>

The book is non-profit, under the Creative Commons license, like others we have published, is under the creative commons license.

Thank you

Juan Guillermo Rivera
